### **ADMINISTRATIVE EXPERIENCE**

#### **2022-23 American Council on Education (ACE) Fellow.**

The ACE Fellows Program offers participants a personalized and unparalleled learning opportunity to fully immerse oneself in the study and application of academic leadership. Participants learn about another institution's culture, policies, and decision-making procedures and apply what they learn back on their home campus. This program compresses years of on-the-job training and skill development into a single year, resulting in one of the most effective, comprehensive leadership development programs in American higher education. More than 80% of ACE Fellows have gone on to hold positions as deans, chief academic officers, chief executive officers, and other cabinet-level positions.

*Placement Experience, Rutgers University:* mentored by “system” President Jonathan Holloway; Chancellor Provost Francine Conway (New Brunswick); and Chancellor Antonio Tillis (Camden). Learning in three competency areas: (1) innovative leadership and change management; (2) budget and financial management; (3) student success that will provide the infrastructure necessary to lead as a chief academic and administrative officer of a university. Learning consists of shadowing mentors, attending cabinet and executive level meetings, as well as subcommittee meetings on topics as varied as risk assessment, strategic priorities/resource allocation, climate action, data governance, enrollment management, budget management, alumni engagement and fundraising, faculty, staff, and medical residents’ negotiation. Also attend Senate, Board of Trustees, and Board of Governors meetings. Five deep dive learning areas: academic affairs, labor relations, foundation/development/advancement, budget/financial management, and strategic affairs.

*Campus Visits:* Brown University, University of North Carolina Charlotte, Johnson C. Smith University, College of Charleston, University of Arizona, Tucson, University of California, Riverside, University of California, San Diego, William Patterson University, Howard University, and CETYS University, Baja California, Mexico. Met with presidents and their cabinets to learn about their institutions, innovative initiatives, and deepen comprehension of what makes an effective leader in higher education.

## **Major Accomplishments**

### *Academic Initiatives*

- Created and implemented the SSC [Dean's Distinguished Senior Scholar Program](#)—aimed at recruiting and retaining senior high performing minoritized scholars, who, through their research, teaching, and service, contribute to diversity, and equal opportunity. Hired 2 senior high-profile African American scholars (Human Development and Family Studies and History) in 2020-21 and 2022-23. Searching for 2 senior hires for 2023-24.
- Created and implemented an SSC [Dean's Research Associate \(Postdoc\) Program](#)—aimed at recruiting and retaining minoritized postdocs who, through their research, teaching, and service, contribute to diversity and equal opportunity. At the conclusion of their two-year program, each Research Associate is transitioned into the tenure stream at Michigan State University. Transitioned 2 cohorts of 7 minoritized Research Associates in Anthropology (Native American male), History (African American female), Sociology (African American and Arab American females), Human Development and Family Studies (African American female), School of Social Work (African American female), Political Science (African American female) to the tenure system at Michigan State. A third cohort of 4 Research Associates was hired in Anthropology (African American male), School of Social Work (African American female), Political Science (Hispanic male), and Economics (Hispanic male). Each will be transitioned into the tenure stream in August 2024.

- Created and lead the SSC Dean’s Research Associate Development Institute (DRADI). The two-year learning institute is structured, comprehensive, and holistic, and combines research training with pedagogical training and academic professional development opportunities to aid in preparing the research associates for the responsibilities of a tenure-stream position at MSU.
- Created a pilot mentoring program at the College level, which will serve the needs of all faculty.
- Created and lead the Dean’s Diversity, Equity, and Inclusion small grants program for faculty, staff, and graduate students whose research or innovations advance DEI in SSC.

*Professional Development*

- Created the Dean’s Diversity, Equity, and Inclusive Leadership Program which provides DEI leadership training and professional development.

**Major Accomplishments:**

- Fixed term assistant professor appointed Assistant Dean for DEI in James Madison College, 2022-.
- 1 tenured associate professor appointed Acting Associate Dean for DEI in College of Social Science, 2022-23.
- DEI small grants program for faculty, staff, and graduate students.
- Created two DEI minors (1 domestic minor and 1 global minor).
- Created 3 new courses (1 introduction to critical DEI studies; and 2 capstone exit courses).

2016-21 **Faculty Excellence Advocate**, Executive Leadership, Dean’s Office, College of Social Science, Michigan State University.

**Scope of Responsibilities**

Faculty Excellence Advocates are key “drivers” of faculty quality and diversity in each college. Reporting simultaneously to the University

Provost and Deans of their colleges, they build close working relationships with faculty, department chairs and deans, working to create a climate that promotes quality, inclusiveness, alignment, objectivity, consistency and transparency of all academic human resource policies and practices.

### **Major Accomplishments**

- Created and chair an internal [Dean's Advisory Committee on Diversity and Inclusion \(DACDI\)](#), whose primary function is to provide guidance, and make recommendations to the Dean, in addressing diversity-related concerns, and sponsoring initiatives that support efforts to understand and celebrate the differences among us. Presently working to create an external alumni giving DACDI board.
- Restructured the faculty search process by replacing passive search techniques with active recruiting strategies for qualified candidates. Innovations include: developing and administering mandatory faculty/administrative search/hiring workshops in best practices and implicit bias; working with search committees on, and approving, job advertisements before posting; having job postings foregrounded with language that demonstrates MSU's commitment to inclusive excellence; making mandatory, diversity statements, for all SSC searches; introducing best practices for being proactive in attracting diverse candidate pools; performing diversity checks on candidate pools with Office of Institutional Diversity and Inclusion (IDI). Of 21 hires made in three years, 14 or 67% were minoritized.

2019 **Responsible Administrator (Interim Chair equivalent)**, School of Human Resources and Labor Relations (HRLR), College of Social Science, Michigan State University, July 22-September 22.
